17 estuarine reserve is to improve the understanding, stew-
18 ardship, and management of estuarine and coastal areas
19 through a network of areas protected by Federal, State,
20 and community partnerships that promotes informed man-
21 agement of such areas through integrated programs in re-
22 source stewardship, education and training, and scientific
23 understanding.

24 “(3) Each estuarine sanctuary referred to in para-
25 graph (1)(A) is hereby designated as a national estuarine
26 reserve.

1 “(b) DESIGNATION OF NATIONAL ESTUARINE RE-
2 SERVES.—The Secretary may designate an estuarine area
3 as a national estuarine reserve if—

9 estuarine ecosystem that is suitable for long-
10 term research and contributes to the biogeo-
11 graphical and typological balance of the System;

12 “(B) the law of the coastal state provides
13 long-term protection for reserve resources to en-
14 sure a stable environment for research, edu-
15 cation, and resource stewardship;

16 “(C) designation of the area as a reserve
17 will serve to enhance public awareness and un-
18 derstanding of estuarine areas, and provide
19 suitable opportunities for education, interpreta-
20 tion, training, and demonstration projects to
21 improve coastal management; and

21 ards upon which the effectiveness of the research,
22 education, and resource stewardship efforts and the

5 funds within the System, with particular emphasis
6 on mechanisms established under subsection (d).

7 “(2) In developing the guidelines under this section,
8 the Secretary shall consult with prominent members of the
9 estuarine research, education, and resource stewardship
